Dear Alan,

I want to let you know that after the nine years that we have had your Brill toilet seats in our ladies restrooms we are still being complimented on a regular basis from our patrons. They positively love your product, and are grateful that the Mohegan Sun cares enough about them to have your seats in all of our ladies rooms. Currently, we have 565 Brill seats and with our Project Horizon expansion under way you can expect there will be many more.

Because of the seats design, our cleaning staff find them very easy to keep clean and maintain. The customer service that you provide us with is outstanding. Having the seats at our property is a win win situation.

Thank you again for providing our patrons and employees with an outstanding product. We look forward to many years of working together.

Sincerely,

Mark Cloutier
EVS Director
